**CICP Member Oregon Electric Group
Gets \$6800 Trailer Back**

Scott Mears, Field Operation Manager with Oregon Electric Group is pleased to announce "We got our trailer back today; we took the proper paper work down to the Portland Police station and now have the trailer back with us. We owe a big thanks to CICP for distributing the pictures and information throughout the CICP network and helping with the right contact person from the Portland Police. It had been painted with some primer paint to hide our numbers and name, so we'll clean it up and get it back out in service. Our cost for the trailer was around \$6800 6 or 8 month ago and this trailer we use a lot."

Thanks to Detective Parks from the Portland Police Bureau who used the CICP network to find the owner. Det. Parks is working to locate and arrest the person who "sold" the trailer. We will keep everyone posted.

CICP pays rewards up to \$1,000 for information regarding crimes against the construction industry.
